

Aleph Receive Future Textile Award Once More !

A NEW RECOGNITION FOR ALEPH AND THE LAFORTE INTEGRATED SYSTEM CAME AT A CEREMONY WHICH TOOK PLACE IN AMSTERDAM DURING AN INTERNATIONAL CONFERENCE RELATED TO INDUSTRY 4.0 AND INNOVATION IN TEXTILE MATERIALS.

The Awards intend to underline successes and remarkable breakthroughs in the textile industry and celebrate the achievements of Companies operating at International level.

The winner of this year's award is the LaForte 200 paper super wide format 340cm with sublimation inks that was presented at SGIA Expo recently.

The printer gained the approval of the jury and was rewarded with Best Innovation Home Textiles Award for 2018.

With this important achievement in home textiles, Aleph is looking forward to being in Frankfurt for Heimtextil 2019.
